BAPN Winter Meeting 2018

11-12th January 2018

Michael Smith Building, University of Manchester

Dear Colleagues:

We wish to welcome you to the 2018 BAPN Winter meeting which will be hosted in the beautiful city of Manchester this year. As before, the BAPN AGM will take place the evening before.

Oral abstract submissions:

We are inviting abstracts for:

1. Research, QI, and innovation work
2. Difficult clinical cases – not only technically challenging but emotional or psychosocially challenging

Please send 350 word abstracts to yincen.tse@nuth.nhs.uk before 4th December.
There is a prize for best trainee presentation

Poster submissions:

Many of our teams have produced posters showing great work in the last year. We will be having a poster display during lunch and a poster walk around.

Please send either the poster (as a file) OR 350 word abstracts to yincen.tse@nuth.nhs.uk before 4th December.

There is a prize for best trainee poster

Ideas for talks:

If you have an interesting talk that would be of interest to BAPN members, please drop us an email and we can see if it can be fitted into the programme.
